

WE PROUDLY SUPPORT...

HAYDEN'S HEROES

Hayden's Heroes, Inc. was created to raise awareness for a rare disease, Histiocytosis. Funds are donated to research, helping families who suffer from Histiocytosis and to provide education about the disease.

The Friends of the Child Avocacy Center advocate for Frederick children and families who are the victims of abuse, and help to increase understanding of childhood abuse in our community.

PPF, Inc. is a non-profit organization and all-volunteer workforce to assist local families and alleviate the financial strain caused by cancer, spinal cord injuries, organ transplants and other ailments.

We are excited to be planning the 16th Annual Fall Charity Golf Classic at Musket Ridge Golf Club.

Proceeds from this event will benefit Hayden's Heroes, Inc., Friends of the Child Advocacy Center and the Patti Pollatos Foundation (PPF), Inc., three local charities that we proudly support.

We will be offering reduced rates for early registration. Players who register and pay by August 8th will only be required to pay \$90 per person for the A.M. or P.M. flight. It will be first come first serve for the A.M. flight, as it will fill up quickly. **Please remember the rates will increase after August 8th.**

Your day of golf will be complimented with a delicious catered lunch, an all-day supply of grilled hamburgers and hot dogs, as well as ice cold beer, water, and soda. Please come out and enjoy a day of golf, prizes and friends. We look forward to seeing you there and helping these meaningful causes.

Sincerely,
David Keefer, Tournament Co-Chair
Trevor Hajjar, Tournament Co-Chair
